

Clinical & Experimental Immunology Conflict of Interests Form

Title

Diagnostic characterization of respiratory allergies
by means of a multiplex immunoassay

ALL authors must complete and sign this form. The completed form must be returned to the editorial office before the article can be accepted for publication.

A competing interest exists when professional judgment concerning a primary interest (such as patients' welfare or the validity of research) may be influenced by a secondary interest (such as financial gain or personal rivalry).

Please answer all of the following questions

1. Have you in the past five years accepted the following from an organisation that may in any way gain or lose financially from the results of your study or the conclusions of your article:

Reimbursement for attending a symposium?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
A fee for speaking?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
A fee for organising education?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
Funds for research?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
Funds for a member of staff or your laboratory?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
Fees for consulting?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>

2. Have you in the past five years been employed by an organisation in excess of US\$10 000 that may in any way gain or lose financially from the results of your study or the conclusions of your article?

Yes ☐ No ☒

3. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the results of your study or the conclusions of your article?

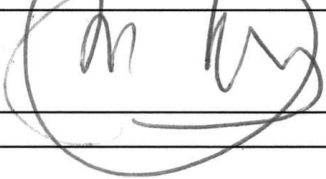

Yes ☐ No ☒

4. Do you have any other competing interests? If so, please specify.

Yes ☐ No ☒

If you have answered "yes" to any of the above 4 questions, please type a statement and send it to us for inclusion in the article. Here is an example:

BJP has acted as a paid consultant to Faust Pharmaceuticals Inc. and has received funding for research carried out in this work.

Signed		Print Name	Dr. Marc Raes
Date	08/06/2020
