

THE INTEGRATION OF INDIGENOUS AND SCIENTIFIC KNOWLEDGE FOR THE CONSERVATION OF THE AMAZONIAN RIVERS IN PERU

Evelyn Calderon 1, Gerardo Valencia 1, Roger Marquez 1 & Jorge D. Abad 1

1. Centro de Investigación y Tecnología del Agua, Universidad de Ingeniería y Tecnología, Lima, Perú

PRESENTED AT:

The integration of **indigenous and scientific knowledge** for the conservation of the **Amazonian rivers in Peru**

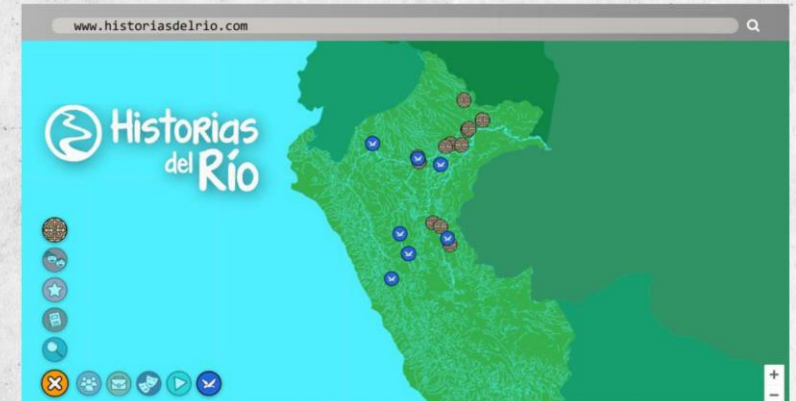

River Stories: science and culture for conservation

**Interactive
educational website**

+ 120 stories

+40 videos

@historiasdelrio

What is a river?

Diverse responses,
diverse people,
diverse development models.

Evelyn Calderon

Researcher and specialist in social
communication
